

Professor Java's Coffee Sanctuary

Coffee House / Restaurant / Caterer

Created by a man who wanted to design a place for the community to escape reality, Professor Java's Coffee Sanctuary serves the public as an oasis to anyone that enters. Offering freshly roasted coffee and a delicious menu from open to close, Professor Java's Coffee Sanctuary is an ideal place to relax and "get away" without leaving town. Since opening on Wolf Road on 1995, the Sanctuary has grown with the community, providing new services and opportunities for the people of the Capital Region and beyond.

Professor Java's welcomes and showcases the work of local artists and musicians. Take a look around at the art displayed on the walls or enjoy live music with your favorite friend and drink. Local lore flows through the atmosphere from ghost stories to a wise, good luck deer, named Pete. Friendly Javateers are ready to serve you and make your time here just as you would like it to be.

As you enter Professor Java's, you will be greeted by Ruby, our seasoned red roaster, who works very hard to produce the very best coffee beans in the Capital Region. Take home a pound today!

Monday - Friday: 6:30AM - 10PM | Saturday: 7AM - 10PM | Sunday: 7AM - 9PM
